WESTPORT PUBLIC SCHOOLS

Dear Families of Westport Students,

Tomorrow evening at the next regular meeting of the BoE, the Board will receive feedback from the CMS Task Force and from the firm that conducted the Peer Review of the work of KG&D.

Last Friday, the BoE discussed the current new information coming from these sources in the latter part of its all-day FY 2020 budget meeting. The video of this discussion and the Peer Review report are both available online and links are provided below.

Peer review: http://cms.westportps.org/uploaded/parent_presentations/2018-01-18_Coleytown_Middle_School_Peer_Review_Report_Final.pdf

I have also attached my budget overview PowerPoint to the BoE highlighting key changes with a proposed FY 2020 budget for the implementation of a K-6 model, and a list of frequently asked questions.

I hope you find all of these materials helpful.

Sincerely,
Colleen Palmer
